

Services pricing: enterprises

Continuous Advisory Services (CAS)

At MWD we like to keep things simple. The standard CAS subscription provides **unlimited access** to all research content and online tools for **all of your** employees, for the period of the subscription – at **one fixed price, regardless of the size and location of your organisation.**

	One year	Two years
GOLD (Unlimited access to content for your organisation plus 12 hours analyst enquiry time)	GBP 8,000	GBP 13,750
SILVER (Unlimited access to content for your organisation plus 6 hours analyst enquiry time)	GBP 6,000	GBP 10,250
BRONZE (Unlimited access to content for your organisation)	GBP 4,000	GBP 6,750
6 hours analyst enquiry time top-up	GBP 2,500	N/A

Please note that analyst enquiry time is only available as an add-on to a content subscription – it cannot be purchased without a companion content licence.

Full details of service deliverables, target service levels and licence agreements can be provided on request. All prices are correct as of April 2008 and until superseded.

Charter Services

MWD's Charter Services offer clients a range of custom, value-added, project-based services, giving you exclusive access to the MWD analyst team in a format to suit you.

Examples of Charter Services include: Internal briefings and workshops • Strategic reviews and advisory sessions • Custom research and analysis • Speaking engagements

As Charter Services will vary depending on your specific requirements, pricing is available on request only. Please contact us with your requests on +44 (0)20 8099 4401 or email us at info@mwdadvisors.com.

Guest Pass Services

MWD's Guest Pass Service offers clients an extensive range of research that provides a solid foundation for IT-business alignment based on our unique perspective on key IT management competencies.

For a free subscription, please visit www.mwdadvisors.com.

Subscribers to any of MWD's Continuous Advisory Services are automatically granted access to Guest Pass Service research.
